

S. Petersburg 29/11 909

Dear Mrs. Parlow;

I had no any news from
Fager after his letter in
October. - There is a real
tournament of violinists
here the last weeks; Marteau,
Hulerman, Kubelik; if
all these people will go
to Finland (most probably)
or are already playing there,
I am not astonished if
Fager cannot do anything
for Kathleen. -

Long time I do not remem-
ber such a lot of foreign
artists here; Vi-Kusch conducts
several Concerts; Hofmann
gives Concerts; Manuel Allen
dance; two new Orchestral
Societies are fighting ~~against~~
and ~~against~~ the other. -

The girls work hard; I have
two american fellows too.

Mrs. Stillings very ill - in
bed; poor Catherine lost

all the little force she had. -

So I am afraid, I shall
not see Kathelken so soon?

I should like to have some
criticisms about the
Philharmonic concert after
the Goldmark Concert.
my little tour (10 days)
was very successful.

It is possible that I may
go to Warsaw and some
polish towns in the beginning
of January, russian date.

In any case let me
have news from you
and Kathleen; you know
how much I enjoy them.

With much love
always Yours affectionately

L. Auer

Have you not yet seen
Rauony? Tell me if you
are still enchanted with your
appartement.

Best love from dear little Stein.
